IT'S ALL IN OUR NAME, AAVISHKAR!

Our name Aavishkar says it all!

Our management which holds a rich legacy of over 45 years in the field of education, at Aavishkar, we educate with Innovation

We started our path to excellence in education and holistic development of children with our idea of Aavishkar School in 2015. A-One, our branch also facilitates great learning with innovative practices in education.

Our founder Mr. Dinesh Shah rightly put the philosophy and the idea of the school just right by telling the world that, "Aavishkar School is a dream come true for my entire team. Our inspiration is the key that deciphers the needs and aspirations of the learners of 21st century."

We have led our institution with a very clear motivation and focus on providing every child an 'Education for Future'!

OUR VISION AND MISSION

Aavishkar takes your child through different stages of life with different methodologies that empower them to take every challenge in their stride!

We prepare for Excellence and Victory at Every Step!

The Mission of Aavishkar School is clear:

- * To channel the best potential out of your child and make it a reality!
- * To add more substance to their personality!
- * To craft a glorious future for your child!

OUR NEW AGE CAMPUS

With 21st century facilities like Computer Lab, Science Lab, Football Ground, Kho-Kho, Kabaddi, Volleyball Ground, Olympic Basketball Court, Dance Studio, Library and Play Gym, we have offered everything the students need to unlock their potential.

A-One of its kind school, Aavishkar has redefined what a child deserves as a student and what a parent can give their child for encouraging them to become the best version of themselves. With adoption of latest technology we have enabled our students to experience international standards of education and extra-curricular activities.

Along with the perfect infrastructure, we wish to give our students the healthiest environment to grow in. We monitor our air quality inside and outside the classes on a regular basis.

Healthy environment for an overall development!

EXPERIMENT TO EXPERIENCE

We encourage students to experience every phenomenon by testing them in our Science Lab

COMPLETE DEVELOPMENT

We believe in building a healthy EQ of the students along with other activities

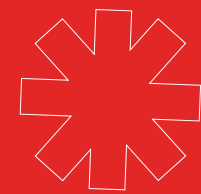

THE SCHOOL IS THEIR PLAYGROUND

We have offered students everything they need to grow physically, mentally and emotionally

OUR STUDENTS LEARN TO

- * **Believe in their Dreams**
- * **Set ambitious goals for their life**
- * **Explore all their hidden talents**
- * **Stay Curious about the World**

BUILDING A CLASSROOM THAT EXPLAINS THE WORLD!

We have developed an infrastructure that enables and encourages students to imagine every concept in the most practical way. We exclude any kind of boredom from the classrooms and increase the encouragement for students by keeping them curious about everything around them.

ACADEMICS

We at Aavishkar know how to channel the best out of your child!
Our pedagogy and approach goes beyond just curriculum and books.

We introduce children to the best of our humane side and boost their EQ with IQ.

We take your children from Pre School to Senior Secondary schooling with the finest and the most experienced faculty Teachers at Aavishkar School encourage students to understand and appreciate a life beyond classroom.

We encourage our students to participate in various Inter-School competitions and National Olympiads which helps them experience their hidden creative streak and explore their potential better with activities like Spell Bees, LogiQids and other quizzes.

We employ the latest technology to make classrooms fun and engaging which creates curiosity in the students and helps them embrace classrooms and studies instead of fearing them. Affiliated with CBSE Board, our curriculum involves extensive project based learning. We conduct various educational tours at places like ISRO, Science City, Museums, Zoo etc.

BUILDING BUDDING TALENT!

We, at Aavishkar School believe that a child's development depends on more than just academia. We enable our students to participate in as many extra-curricular activities as possible. We encourage students to venture outside the classroom and begin their journey of self-exploration and inculcate their hidden talents.

- We encourage students from Class 1 to 12 in participating into various competitions like Debates, Story Writing, Poster Making , Recitation etc.

- Our teachers organise events like Kaleidoscope (Annual Function), Independence Day, Navratri Festival which encourages team participation and helps the students experience the joy of team work. We organise Night Out for students to experience a little slice of independence. With our Sports Day celebration, we help students to explore the concept of teamwork.

OUR PHILOSOPHY

The focus of our educational philosophy is- Our Students. Our Students are the centre of the learning experience we have designed. We believe that they will change the world.

Our philosophy is embedded in our strong belief that a child's growth is dependent on their daily routine of academic and extra-curricular activities.

OUR BELIEF

We believe growth and development begins with the right blend of classrooms and outdoor activities.

Aavishkar believes in tapping each child's individual talent, providing an enriching environment of learning, assistance from educators, with a versatile mix of academics, sports, creative skills, arts & crafts amidst an expansive amalgam of facilitations and learning. We give our children wings to fly high and create their distinct mark wherever they go!
